To apply, please download, complete, and submit the following materials to Cindy Bustillo at cbustillo@ffcmh.org:

Youth MOVE National welcomes individuals as well as partners and teams to apply. We are looking for consultants that help us further our mission and vision across the country for the various engagement requests we get. Some of these requests are for engagements strictly for youth, while others are for adults, and many times the consultation may be for mixed audiences.

Consultants will be offered engagements after being matched based on expertise and the consultation sought. In an effort to continuously improve consultation provided, feedback and evaluations will be collected at every engagement and used in reference for engaging consultants on future requests.

Upon receipt of application materials, verification of references, and review by the Youth MOVE National Board of Directors, the group's information will be added to the Youth MOVE National Consultant Pool.

If you have any questions, please contact Cindy Bustillo at (240) 403-1901, cbustillo@ffcmh.org.
