What is Parent Leadership Training?

The Parent Leadership in State Government (PLISG) initiative offers the *Parents Partnering for Change* training curriculum. The curriculum trains Michigan parents to use their voice to impact program planning and policy development on local, regional, and state boards and other decision-making bodies.

Training topics include:

- How to tell your family story
- What it means to be a parent leader
- Improving communication skills
- How a board works
- Effective meetings and how to handle conflict

After the training, parents are encouraged to put their new skills to use. Parents receive support from a PLISG parent mentor, and can connect with new opportunities for involvement through Facebook® and a Yahoo® group.
