

Living Hope

2015
Training

Check out this great training opportunity that will encourage, educate and empower persons receiving public mental health services and their family members. This training is also open to core provider staff, direct care workers and anyone who supports persons with disabilities. Bring along someone you support– it will be a great time to learn together.

TAKE YOUR JOB AND LOVE IT

The world of work offers unique opportunities and challenges. Studies show positive outcomes for persons with disabilities who participate in competitive employment. Work does, however, bring new issues in managing your disability. This workshop can help you start the process of creating a Wellness Recovery Action Plan (WRAP) for your job that specifically relates to occupation issues which may arise.
