This session will focus on successfully supporting children and youth with emotional, behavioral or mental health challenges in school.

We will discuss

- how mental challenges might affect students in the school setting
- ideas to successfully accommodate for their mental health needs through services, supports, accommodations
- partnering with mental health professionals.

We will also examine current statistics, common barriers to treatment and the importance of mental health awareness in the school setting. Information about free Youth Mental Health First Aid training currently available across Michigan will also be shared.

**Who should attend?** Families of children/young adults with disabilities/ learning challenges, school staff, community members, and organizations.
